## **A message from the Devon & Cornwall Constabulary**

Over the last five years Crime in Cornwall and the Isles of Scilly has reduced by around 25%. That means that this year there will be 10,000 less victims of crime than there were 5 years ago. Recently the Force has undergone a reorganisation that means there are now more officers out in front line jobs and consequently you may see my staff more often out and about. If you do please take the opportunity to speak with them, ask them what is happening in your Community. You can also find out by accessing our web site at [www.devon-cornwall.police.uk](http://www.devon-cornwall.police.uk). Cornwall and the Isles of Scilly is one of the safest places in the Country to live, we are striving to keep it that way.
