Parent Support Advisor

We would like to welcome **Suzanne Jones** our new PSA to Landulph School. Suzanne is employed through SE Cornwall Extended Services to offer you free, impartial, independent, confidential advice and support. Suzanne would like to help parents/carers maintain positive links with the school and to give support around things like transition stages, attendance issues, family learning, parenting advice and behaviour management to name just a few. Over the coming months, working with your ideas, Suzanne hopes to arrange activities and workshops for you and your children to attend. Parent Support Advisors are here to support you with any worries or concerns. We may not have all the answers, but together we can work out how to find them.
