Fiona Phelps – Edinburgh Marathon

Those of you who know me will know that I like to keep fit and active. However, I have always said that I would never run a marathon, as it is such a long way. (If you do not know me, you will certainly know of one of my children, with Robyn in Class 3; Freya in Class 2; and Peter in Class 1). Nobody is therefore more surprised than I am to find that I have entered the Edinburgh Marathon in May 2010. However, my motivation is quite clear – I want to raise money for Children's Hospice South West.

In July 2009, a precious little girl called Katie spent her final days at the Hospice. She died shortly after her 6th birthday and will be known to many of you, as she was a pupil at Landulph School. Her parents have said that Children's Hospice South West changed all of their lives.

I am in no doubt that running a marathon will be a huge endurance challenge for me. However, it is nothing compared to what others have to endure. Raising money in support of Children's Hospice South West is my small way of saying thank you. Please help me and give generously. Thank you.
